Cleaner and Sanitiser

The ideal partner for your juicer. DET 10 is a juicer cleaner and sanitiser all in one. It takes the elbow grease out of cleaning your juicer. Simply rinse off any excess pulp from the components that require cleaning, place them in a pre-mixed solution to soak overnight and DET 10 will do the rest. Keeps your filter free from tannin staining and clogging.

FEATURES

Built in Sanitiser
Excellent de-stainer levels
Free Rinsing
Harsh Alkali-Free
High Solvent
10 Kg drum

ADVANTAGES

Kills germs
Reduces inventory
