## K5SS White Mixer (94000)

**Features:** The K5SS mixer features a unique planetary mixing action to ensure thorough mixing. It has the capacity to mix 3 standard bread loaves at 700 grams each with minimised flour puff. The 10 speed solid state controls and direct drive transmission ensures strength and reliability. The mixer has a hub drive suitable for operating a selection of optional attachments and has an easy to use bowl lift handle.
